

Firefighter's ABC's Spread the Word among Friends, Family, and Others via Facebook, Twitter, and Instagram

If you have ever thought about becoming a Successful Firefighter/EMT Candidate or if you know someone that may make a great firefighter, consider visiting www.FirefightersABCs.com.

All resources on this site are 100% Free for Candidates.

Fire Departments are seeking more men & women who better represent our very diverse population. This effort includes people of **ALL** backgrounds, religions, and sexual orientations.

The fire service and emergency response careers offer great benefits and retirement programs. Use our Online Internship Program to enhance your opportunities.

Our **100% Free Online Internship Program** helps build a strong foundation for interviewing, testing, and presentation skills. This program is ideal for 9th – 12th grade students, college and post college students, active service members, and those wanting to start a new and exciting career.

The sooner you learn about the [qualifications](#) required to make you a **great** candidate for a career as an emergency responder, the more prepared you will.

Please mentor and share this information with at least **two** diverse youth in your network with a focus on females and kindly ask others to also share this information.
