Dear

Firefighter Diversity Recruitment Council & National Recruit Database Members

If you have a suggestion for our site:

- First log in
 - Enter your username (the email address you used to join)
 - Enter your password (the one that came in your welcome letter – or the one you changed it to)
 - We do not have your password
- Select
 - Account manage
- There you will see the instructions to provide your comments and or suggestions

We welcome and encourage all of our members to submit suggestions to better our site and provide our members with a venue to help make the site more valuable for their use and if possible more user friendly.

Remember no one site will have all of the required information to support you being a better candidate – therefore we suggest that you leave no stone un-turned in this quest and explore all related sites and information resources.

Lastly and most important please share and encourage others seeking a career in the fire service or other related careers to also join.

Yours
